Case# 2004-00125

To Whom it May Concern:

I am writing in regards to the antenna tower to be built on Copeland Rd. located in Mayfield, KY. I noticed the sign asking to write if anyone has an objection to the tower. We are currently using an airstrip on 1616 Old Dukedom Rd., Mayfield, KY 42066. Our airstrip is used frequently and is no less than ¼ mile from the proposed construction site.

I am worried that this antenna tower will cause problems in landing and takeoff, and I strongly object to this tower being built. No one from the FAA or Verizon contacted us to inform us of the tower construction. I would appreciate your attention to this matter, and I hope that we can relocate the proposed construction site.

Best Regards,
